ALFAAZ AHMED

Full-Stack MERN Developer

Noakhali, Bangladesh | +880 16101 97258 | alfaazahmed010@gmail.com | Github | LinkedIn | Portfolio

CAREER OBJECTIVE

To leverage expertise in React.js, Next.js, Node.js, Express.js, and MongoDB to develop scalable, secure, and user-focused web applications while applying strong problem-solving skills and modern software development practices.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), TypeScript, HTML5, CSS3
Frontend: React.js, Next.js, Tailwind CSS, Responsive Design
Backend: Node.js, Express.js, RESTful APIs, MongoDB, Mongoose
Authentication & Security: Better Auth, JWT, Authorization, RBAC
UI & Tools: HeroUI, DaisyUI, Figma, Git, GitHub, VS Code, npm, ESLint, Prettier
Deployment: Vercel, Netlify, Render

PROJECTS

FITORA — Fitness Management Platform Live Demo | GitHub Repo
Role: Full-Stack Developer | Team Project
Tech Stack: Next.js, TypeScript, Node.js, Express.js, MongoDB, Better Auth
Team Contributions:
• Provides members with accessible fitness tools, clear membership plans, workout statistics, and streamlined subscription and billing experiences.
• Enables administrators to monitor branch occupancy, track attendance, manage users and memberships, and oversee operations through role-based dashboards.
Individual Contributions:
• Helps members discover trainers through public profiles featuring professional backgrounds, specializations, experience, ratings, and availability.
• Enables branch administrators to track live attendance, monitor gym capacity, view available spots, and review paginated daily check-in records.

PROMPTAI — AI Prompt Marketplace Live Demo | Client Repo | Server Repo
Tech Stack: Next.js, React, Node.js, Express.js, MongoDB
• Enables users to discover, purchase, bookmark, and review AI prompts in one marketplace.
• Helps creators publish prompts, track performance, and monitor earnings through dedicated dashboards.
• Supports secure purchases and role-based access, while enabling admins to manage users, prompts, reports, and platform analytics.

LAUNCHDECK — Project Showcase Platform Live Demo | Client Repo | Server Repo
Tech Stack: TypeScript, Next.js, React, Node.js, Express.js, MongoDB
• Helped developers discover relevant projects through search, filtering, sorting, and pagination.
• Enabled authenticated developers to publish new projects and manage their own submissions.
• Helped developers explore project information through dedicated detail pages.

EDUCATION

HSC | GOVERNMENT MUJIB COLLEGE
Noakhali, Bangladesh | 2022-2024

LANGUAGES

Bengali — Native | English — Professional Working Proficiency
